PASTOR'S CORNER

Happy Mother's Day!! May is filled with so much brightness and joy, so it is no wonder that the Second Sunday in May is deemed as Mother's Day! Mothers are just that: Bright and filled with Joy! Of course, our pessimistic world will tell me that not all mothers are bright and joy-filled, but the truth is we all have mothers. Perhaps, some may not have loving, joy-filled mothers, but the beauty of motherhood is honored this Sunday as a profound reality of our human existence because your mother said yes!! Thank your mother for the beauty she has brought to your life, what she has taught you, how she showed you how to love, and if there needs to be forgiveness in your relationship with her, ask Mary to help you move from sorrow to joy. Share with your mother how her love of God and her family has brought you stability in your life so to continue to listen to the voice of the one who brings eternal life. May Mary, the Mother of the Body of Christ, be also for you the model of joy that comes from a life lived in thanksgiving and as a perpetual yes to God and his goodness in your life.

In Christ,

P.S. Habemus Papam! (We have a Pope!) When the white smoke appeared in Rome I ran into the church while adoration was taking place and rang the bells frantically. Let us pray for Pope Leo XIV who was elected the 267th Pope on May 8, 2025. God be with him and support him.
